## Shawano Avenue Interchange at US 41

*Project Construction Timeline June to September 2014*

With the addition of flyover ramps at **US 41-WIS 29** Systems interchange, **Shawano Avenue** below **US 41** is changing significantly. An interchange with roundabouts will be constructed, with direct access to **US 41**, and access to westbound **WIS 29** via the **Packerland Drive** interchange. The **Shawano Avenue** interchange will CLOSE for 60 days between June - September 2014.
